Pastor's Message

"Blessed are all who fear the Lord, who walk in obedience to him. You will eat the fruit of your labor; blessings and prosperity will be yours." Psalm 128:1-2

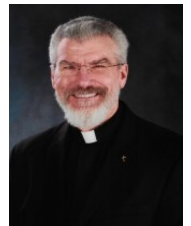

Summer is winding down and will soon end, and with it the carefree days of vacations spent at the beach, the lake, fishing and boating in streams and rivers also playing and relaxing in swimming pools. As we reflect on these wonderful summer days spent in the water perhaps we might also reflect on the waters poured over our heads during our Baptism. This is an event that is in the past like our summer fun, but it does not end, it remains in the present and the future. Our play time in the various waters during this summer will leave us with joyful memories to share with our family and neighbors. Our baptism may not be remembered if baptized as babies, but it lives within us as the Holy Spirit speaks to our hearts to follow God and care for our neighbors, those we know and those neighbors we do not know but who need our help.

Remember you are blessed by God's grace and love. You were blessed this summer with a time for rest and a time to spend with family and friends. You were blessed with a time to see the wonders of God's creation and time spent enjoying what God has given you.

Now you are blessed to return to work and to school. Consider what you do for God as you labor, and the blessings your labor brings to you and your neighbors. Even children labor at our church with joy. Martin Luther teaches, our vocation (work) can be a calling from God, when we use our work for the benefit of others.

The student in school is educated in the ways of understanding to choose a vocation in life. One may become an engineer who develops better farming machinery, the farmer uses this to increase the crops which feed more people. The farmer in turn hires people to pick the crops and load them on trucks. Truck drivers deliver these to stores and the store workers place them on shelves for people to buy in order to feed their families. Each vocation blesses another and in the end we are blessed as we care for our neighbors.

Blessings to you in Christ Jesus,
Pastor David

Ask the Pastor

Question: Each Sunday we say a Creed, normally the Apostles' Creed but sometimes the Nicene Creed. Who wrote them? When were they written? Where were they written? Do most denominations use these creeds? Perhaps you could do a creed a month?

We believe in one God,
the Father, the Almighty,
maker of heaven and earth,
of all that is, seen and unseen.

We believe in one Lord, Jesus Christ,
the only Son of God,
eternally begotten of the Father,
God from God, Light from Light,
true God from true God,
begotten, not made,
of one Being with the Father;
through him all things were made.
For us and for our salvation
he came down from heaven,
was incarnate of the Holy Spirit and the
virgin Mary
and became truly human.
For our sake he was crucified under
Pontius Pilate;
he suffered death and was buried.
On the third day he rose again
in accordance with the scriptures;
he ascended into heaven
and is seated at the right hand of the
Father.
He will come again in glory to judge the
living and the dead,
and his kingdom will have no end.

We believe in the Holy Spirit, the Lord, the
giver of life,
who proceeds from the Father and the
Son, who with the Father and the Son is
worshiped and glorified,
who has spoken through the prophets.
We believe in one holy catholic and
apostolic church.
We acknowledge one baptism for the
forgiveness of sins.
We look for the resurrection of the dead,
and the life of the world to come.
Amen.

Answer: Great question and suggestion of learning about the Creeds each month.

This week we will look at the second most common Creed used in the church, the Nicene Creed.

In 325 AD, the church was being fractured by different theological understandings that went against the Christian faith.

On the one side was the belief taught by Athanasius that we hold true in our faith today which says God the Father, the Son and the Holy Spirit are ONE. Three persons but ONE God.

On the other side was the belief of Arius, who was a leader of a congregation in Alexandria, Egypt. He taught that Jesus was God's Son but was different from the Father and subordinate to the Father. The Son was God but the Father and Son were not ONE. These two different teachings were splitting the church between the separate factions.

Constantine the Great was a Roman emperor who was the first emperor to convert to Christianity. Due to the ongoing fracture of the church, Constantine interceded to put an end to the feud between the two opposing factions. Constantine said, "Division in the church is worse than war."

In 325 he called together a gathering of the First Council of Nicaea. Constantine invited 1,800 bishops to come to Nicaea (present day Iznik, Turkey) and discuss this theological issue and settle the truth of the matter.

Around 300 bishops attended the council gathering at Nicaea and after much discussion agreed upon the newly written creed which would be named after the gathering called by Constantine in Nicaea.

This Nicene Creed would refute the Arian belief and condemn Arius as a heretic and he would be exiled.

These are the beliefs we have come to have faith in through hearing the Word of God in the Holy Scriptures. We believe Jesus to be fully God and fully human. Jesus is "God from God, Light from Light, true God from true God, begotten, not made, of one Being with the Father". Amen

St. Athanasius wrote a book called "On the Incarnation". If you would like to borrow my copy to read, let me know.

Peace, Pastor David

Congratulations to St. Paul's 2019 Confirmation Graduates

Kate Freiner, Charlie Miller and Garrett Collins graduated from Confirmation class on Sunday, June 9, 2019. During the worship service the first reading of Acts was read by Charlie Miller, Psalm 104 was read by Garrett Collins and the second reading was read by Kate Freiner.

Prior to being confirmed, each student read a chosen scripture and spoke of what it meant to them.

Kate Freiner chose Deuteronomy 4:20 "But the LORD has taken and brought you out of the iron-smelter, out of Egypt, to become a people of his very own possession, as you are now."

Charlie Miller chose Philippians 4:13 "I can do all things through Christ who gives me strength."

Garrett Collins chose Matthew 15:11,19 "What goes into someone's mouth does not defile them, but what comes out, that is what defiles them. For out of the heart come evil thoughts."

This was the first Confirmation Class for Pastor David at St. Paul's and each of these wonderful kids were exemplary in their study and attention in class for the two years of faith formation. Pastor David was very proud of them and all they accomplished.

Margaret Circle provided wall crosses to each Confirmand with their scripture and date of confirmation engraved. These are metal crosses made by Amber and Willard Gardner using a plasma cutting table.

Congratulations: Maxwell Neenan

We are proud of you obtaining your Bachelor of Arts & Science degree in English with a History minor from the University of Missouri, on May 19, 2019. This is an awesome achievement.

Blessings to you, Victoria and Wolfgang and a huge shout out to Susan and Peter for their encouragement along the way.

Life is Funny

On the first day, God created the dog and said: "Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years." The dog said: "That's a long time to be barking. How about only ten years and I'll give you back the other ten?" So God agreed.

On the second day, God created the monkey and said: "Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span." The monkey said: "Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the Dog did?" And God agreed.

On the third day, God created the cow and said: "You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years." The cow said: "That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?" And God agreed again.

On the fourth day, God created man and said: "Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years." But man said: "Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?"

"Okay," said God, "You asked for it."

So that is why for our first twenty years we eat, sleep, play and enjoy ourselves. For the next forty years we slave in the sun to support our family. For the next ten years we do monkey tricks to entertain the grandchildren. And for the last ten years we sit on the front porch and bark at everyone.

Life has now been explained to you.

Technology: Dan Tschirgi

Special thanks to Zola Finch and family for donating the cost of the speakers.

Evangelism: Delores Vlach

Big thank you to Donita Stubinger and the Jr. Lutherans for providing food and drink for patriotic Sunday fellowship hour. Also thanks to Curt Stubinger for arising early to bake the delicious cinnamon rolls! Also, thanks to Karla Strobel for being part of the baking team for the June fellowship hour. Her name was inadvertently omitted in last month's Epistle.

Worship & Music: Kathy Meller

The committee was unable to meet on our regular first Tuesday of July, so we postponed our meeting until July 30th to choose hymns for both August and September. The choir has been singing the Psalm once a month which has added an interesting element to our worship. The choir has grown and the congregation has been enjoying wonderful singing this year. The choir began summer break on July 21, through August. We have talked about kids, adults or both doing some instrumental music during worship, if you are willing we would love to hear from you. Please contact Kathy or one of the other members of the Worship & Music Committee.

Parish Education: Laurie Koestner

Vacation Bible School was a wonderful learning experience with many churches coming together to share the good news and learning that no matter what, "God is Good, All the Time." We will be preparing this month for our upcoming Sunday School year which should begin the third Sunday of September on the 15th.

Church Improvement: Mitchell Plochberger

The water softener located in the Sunday School supply closet was removed, cleaned and replaced. Weeds were sprayed in the parking lot and on the walkways around the church.

Stewardship: Paula Linsenbardt – No report this month.

Mutual Ministry: Vacant (Pastor David Viles)

Pastor reports we need two members and a chairperson for this committee. The meeting was canceled due to Vacation Bible School commitments. We will resume this month to begin the annual evaluation process.

Jr. Lutherans: Donita Stubinger

The cinnamon rolls on our 4th of July celebration was quite a hit. We thank Curtis for making them for the congregation and Ruth for delivering them and helping to put them all out to serve. Thanks also to all the Jr. Lutherans, their parents and other church members that helped to make the event a big success.

Plans are being made to get together after church on Sunday, August 25, 2019 at 11:00 am to meet at the Russellville Fire Department where we will be greeted by Mitchel Ott who will tell us about our community Fire Trucks and what all the Fire Fighters do to save our lives in case of fire or wrecks. Following his presentation, we will go over to the Russellville Pool for swimming. Before swimming, we will eat lunch at the pool, soda and water may be purchased there along with ice cream in the afternoon.

Everyone is welcome to join us for a fun filled afternoon. Bring a friend and also parents and grandparents. Calls will be made to each family to find out how many are coming so enough food can be prepared. Contact Donita Stubinger if you have questions or to confirm attendance.

St. Paul's Epistle: 50 Years Ago, March, 1969: Gertrude Strobel

Eight pounds of postage stamps were recently mailed to Germany to help support Mission work. The ALCW (American Lutheran Church Women of St. Paul's) presented Harold Strobel with a Service Prayer book with prayers for his safe return prior to his leaving for the Marines. Larry Koestner and Deborah Mae Findlay were married before our altar on August 9th. (Happy 50th, Larry and Debbie!) That's the way it was...50 years ago

It's Paul, the Mouse, reporting from the church on the hill. The Mouse family has enjoyed the indoors this past month. On fireworks night the mouse family gathered snugly in nests, safe from the bang-bang of the fireworks. But the big crowd left us many crumbs, so we were happy about that. New to us was the tornado in Jefferson City that blew some of its winds, rain, thunder etc. our way. The mouse family joins the congregation in thanking all those who helped with the church services this month...readers, ushers, greeters, musicians, choir, acolytes, communion assistants, fellowship hosts, etc. We thank Pastor Viles for all the service he did for St. Paul's and community this month. A special thanks to Marie Scheperle who has "done" the bulletin board in the narthex for fifty years! A special thanks, too, to Trish Russell, Jeannette Fischer and Delores Vlach for tending the outdoor flower beds. Dog Days began July 3rd and it is said "If the dog days be clear, 'Twill be fair all year." So let us see if that saying falls true. We close with "A warm, dry August, is the forerunner of long, snowy winter." My girlfriend, Paulinah, and Paul, the Mouse, send blessings your way! Your friend, *Paul, The Mouse*

Margaret Circle: Erika Gerth

The members of Margaret Circle gathered at the home of Kay Pascoe on Tuesday, July 9th for the Circle's annual salad supper. A variety of delicious salads and scrumptious chocolate brownies prepared us for Inge Gauck's lively Bible study based on the 5th chapter of the Gospel according to Matthew. What did Jesus mean when he said we were the salt of the earth and the light of the world? How do those words impact our lives? With grateful hearts we designated \$300 of the evening's offering to Mobility Worldwide for the purchase of one mobility cart. Imagine the joy and hope which this gift will provide for one individual as he/she is literally lifted off the ground and able to pursue a life which previously seemed unimaginable! Debbie Boyce will host our next meeting on Tuesday, August 6th at 6:30 PM. Inge Gauck, our Bible study leader for the year, will lead us in the study of God's holy word. All women of the church and their friends are welcome to attend!

Woodpeckers Invade The Hill

Thanks to Wyatt Prosch, there are three real wooden woodpeckers on three of the trees located around St. Paul's church.

Take a look around and see if you can find all three of them. Thank you, Wyatt, for keeping it interesting here on the Hill.

St Paul's Annual Camping / Float Trip: Debbie Boyce

4th Annual Camping/Float Recap; All I can say is, if you missed it you missed a great time!

There were 4 St. Paul's families represented and 7 total RV's in the group with the other friends that joined us. The float down the Niangua River was refreshing, and relaxing. We have great cooks in the group and ate well !! If you want to join us at Hidden Valley Outfitters next year, we made reservations on our way out for Thursday, July 16th – Sunday, July 19th of 2020.

Cemetery Flower Bed

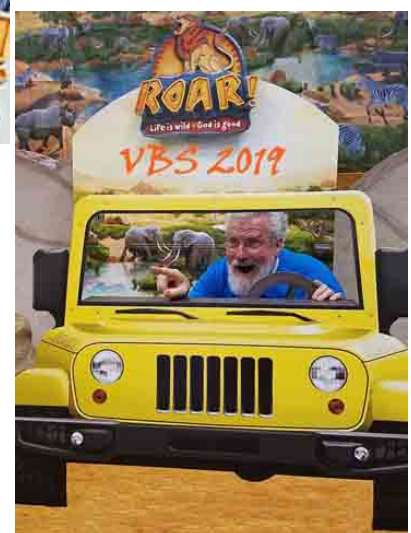

This amazing flowerbed always looks wonderful and is one of the first attractions seen by visitor and especially families who come to funerals and pay their last respects. The sign is written in German, 'Mein Erlöser Lebt' which translates: 'My Redeemer Lives'. Delores Vlach tends this garden weekly to keep it beautiful and we are thankful for her dedication and care for an important part of our grounds.

4th of July Fireworks: The Fireworks show this year was amazing and could not have happened without the generosity of Chris Russell with Xtreme Body & Paint, the Lohman Lion's Club and the City of Lohman who each contributed a third of the costs. Thank you all.

Vacation Bible School

Trinity Lutheran Russellville, St. Paul's Lutheran Lohman and other churches in the area came together for a ROARing good time for VBS this year. We gathered on Sunday, July 14th and closed the event on July 18th with a review and then swimming at the Russellville pool. Everyone had a wonderful time and we averaged 45 children attending. Special thanks to Anna Wise for her dedicated work of organizing and putting it all together. Misty Schroeder for her wonderful work in organizing and supplying much of the food for the event. All the teachers and helpers that made it a joy and wonderful teaching for the children. The Pastors who prayed and talked about the videos and the parents who brought their children each evening to experience God's word and love.

St. Paul's Bible Scholars meet each Sunday at 4:00 p.m. Last month we completed Job and started reading the book of Psalms.

[← New Schedule for the Month.](#)

Some of what we have learned these 4 weeks.

The book of Job was a difficult story to read. Why should good people suffer? We know we are not perfect but even when we try to do the best we can, often suffering and sorrow enter our lives.

Job teaches us when we remain faithful in God's presence and help we are lead through these difficult situations as God sees us to the end.

In Job's story he is restored with all he lost and more and is assured that God never left him.

In our life we sometimes lose what we love and may not get it back or at least not in the way we wish. But we can be assured that when we come face to face with God we will gain what we could never have hoped for on this earth.

As of the end of July we will have read 119 of the 150 Psalms. The shortest read on July 30 was only two verses containing a mere 29 words in the NIV. Two chapters later we read 119 on July 31 which is the longest Psalm with 176 verses containing 2,320 words.

The Psalms are the songs of the Jews which are sung to the praise of God. They recount times of joy, trouble and despair. They point to God's faithfulness in his love and caring for us. They tell of our dependence on God alone and the many ways we are saved through his grace.

If you are not reading through the Bible, please consider reading one Psalm a day in the morning or the evening for the next 150 days and contemplate on what speaks to you from this poetic writing.

If you are living outside of this area and can't attend, feel free to send questions or comments to Pastor David's email address. davidviles@cox.net
