Pastor's Message

*"Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom."
2 Corinthians 3:17*

What does freedom mean to you? In our Nation, freedom has always held a special understanding for Americans. Tuesday, July 4th, is the day we celebrate our freedom from the King of England. We will have a special patriotic service at St. Paul's Church to recognize the continued freedoms we have enjoyed through our military men and women who have fought, and many died to keep us free from the tyranny of governments and peoples of other places.

For Americans, it is not only our freedom we are concerned about in this world. We are also concerned for other nations who wish to have the same type of freedom we enjoy. We entered WW1 on April 6, 1917. We entered WW2 on December 8, 1941. We have fought many wars since to help our allies remain free to live as they wish.

On Sunday, July 2, 2023 St. Paul's Church will begin celebrating America's freedom that was won in 1776 and remains due to the lives of millions who have fought to keep our nation free.

But, there is another day that we celebrate our freedom and the freedom of billions of people in the

world. It was fought through a different kind of war by a single man, who was also God. Jesus went to war against sin and death and gave his life to defeat both for your sake and the sake of every man, woman, and child who has faith in his work on the cross. After his death, Jesus rose three days later to show death is no more, your sins were forgiven on that cross he was nailed to for all people to be free. Every year on Easter Sunday, 2.6 billion Christians celebrate their freedom through the gift of grace of our God and his Son, Jesus the Christ.

Go out this day and remember the 4th of July and even more so the battle of our Lord on Easter morning.

Your servant in Christ Jesus,
Pastor David Viles

A list of needed school supplies has been divided between the churches to collect. Along with these items churches may collect backpacks for the kids, clothing, and any other school supplies people want to donate. Let's try to collect our supplies by Sunday July 30. A box will be set up in the Narthex for the collection of items below. Pastor David will make sure they get delivered to the holding area at Trinity Lutheran church in Russellville.

We join our hearts in sympathy with the families of Vanessa Pyatt and Bob Collins. We keep these families in prayer for God's grace to bring them comfort and peace.

Congregational Council Meeting, June 12, 2023

† A six o'clock PM regular meeting of the Church Council was held on Monday, June 12th. The meeting was called to order by the Council President Zola Finch. Council members present were Stacy Bubach, Dan Tschirgi, Jana Thompson, Kathy Meller, Delores Vlach, and Frank Pascoe. Absent was member Kent Nelson. Also present were Church Treasurer Kay Pascoe and Pastor David Viles.

† The meeting began with a prayer by Pastor David Viles. President Finch asked for our approval of the Council minutes for the previous meeting of May 8th. This was done upon a motion from member Stacy Bubach, seconded by member Jana Thompson, and agreed to by all.

† President Finch requested Church Treasurer Kay Pascoe to give a report on the Church's previous month's financial activities and status. The Treasurer's four-page financial report was distributed to the members. The current operating expenses in May were greater than the current giving by (\$770.28). All assets of the Church total \$330,332.89. In May, Council members voted to establish a Les Linsenhardt Memorial & Carpet Fund, which will be set up as a Dedicated Account. As of May 31st, this account totaled \$2,560.00. Following the Treasurer's report, there was discussion of the June 11 newly installed service Wisper Internet and its costs. The installation fee was reported as \$150.00, and the monthly charge is \$109.83. The Treasurer will receive a copy of this billing. The Treasurer was asked to contact Century Link [now known as Brightspeed] to discontinue the internet service provided by Brightspeed. Pastor Viles was asked to contact AT&T Internet to discontinue the streaming service. Those who used Wisper Internet remotely were complimentary. Council members discussed the need to continue the telephone landline service found in the Church. After due consideration, it was decided to continue the landline for the present and track its use over the coming months to determine its need.

† The President asked Pastor Viles to share his monthly activities. Pastor's report requested no mileage compensation for May. He reported on six meetings, including the Church Council, Lohman City Council, S.T.A.R.S., Lohman Lions Club, and Worship & Music. He detailed over six individual meetings with various parishioners to discuss personal activities. Among his other activities and responsibilities were the baptism of Master George Henry England, receiving our new members Sharron Schneiders and Debbie Raithel, gathering bios and photos of our recent graduating seniors, updating our Website and Video services. He prepared the monthly Epistle and emailed it to all. Pastor presided over two non-communion Sunday services and one communion Sunday service. He worked with parishioner Erika Gerth to coordinate the Sunday Mother's Day Service presided over by visiting Pastor Kimberly Knowle-Zeller of Cole Camp, MO.

President Finch then requested the various Council Committee chairpersons to present their monthly reports:

Evangelism: Delores Vlach reported on the June 4th Fellowship Hour which honored the Church's eight recent 2023 graduates of various levels: Landon Plochberger, Charlie Miller, Trevor Collins, Michelle Collins, Garrett Collins, Emma Steele, Kambry Pistel, and Jordan Russell.

Delores gave thanks to Donita and Glen Stubinger for preparing the various treats and hosting this fellowship coffee. The Evangelism Committee gave a graduation card to all the graduates. Delores also reported that her committee will be handing out treats to the children who will be present at the Church's July 2nd evening event of fireworks and music. The Committee will also be looking for ways to promote "Family Day" in September. After a brief discussion it was suggested that the Church Council would host the August Fellowship Hour which will be on Sunday, August 6th.

Technology: Dan Tschirgi briefly discussed the advantages the Church will see utilizing the new service Wisper Internet. Most of the technology discussion was undertaken during the opening discussion on expenses tied to terminating the existing internet services. With the new internet device,

the video streaming system will always have priority on usage and limited password availability. A separate band with lower priority but good internet speed, will be available with a guest password posted in the Narthex. Dan reported that parishioner Dave Boyce was now assisting with operating the upstairs technical command booth on Sundays.

Worship & Music: Chair Kathy Meller reported on the meeting of June 6th of her committee. The Hymn choices for July were made. Setting 8 will be used during July and August. The Bell Choir will perform on Sunday July 2nd. A patriotic service is being also being planned on July 2. This service will be based on one held in an earlier year which included our veterans. No Worship Committee meeting will be held in July with the next one on August 1st.

Parish Education: There was pleasure expressed about the recent Sunday School held on June 4th. There were 9 children attending the school held during the regular services on that Sunday. It was announced that Vacation Bible School will be held on July 9th thru 13th at Trinity Russellville.

Church Improvement: Chair Kent Nelson was on a trip and unable to attend this meeting. The primary discussion focused on the Council's desire to replace the kitchen stove. After discussion, a decision was made to obtain a replacement for the kitchen stove upon a motion made by Stacy Bubach, seconded by Dan Tschirgi, and passed by unanimous consent. Kent Nelson will oversee the stove selection process.

Stewardship & Finance: Chair Stacy Bubach announced to the Council that the special donation to the organization called Halo House may be dropped from our Special Offering status due to the funds not going to the local site. It was suggested by Pastor that in the future we might gift the local site with in-kind gifts rather than sending our funds to the Kansas City headquarters. Stacy's committee will discuss this. Stacy brought before the Committee the issue of continuing to purchase offering envelopes for all in the congregation or eliminating the envelopes and undertaking some other approach to receiving offerings on Sundays. Various suggestions were made on how to determine what the congregation prefers to do in the future if envelopes were no longer purchased. It is likely that a survey of the individual parishioner families will be forthcoming to determine how we proceed. Stacy will consult with Trinity Lutheran Russellville about the VENMO online payment process, and attempt to determine if using VENMO could allow discontinuance of the purchase of church envelopes.

Mutual Ministry: Chair Jana Thompson reported no May meeting of her committee. Jana will be participating in the upcoming Vacation Bible School in July, as will Pastor David.

Old Business: There was none discussed.

New Business: Stacy Bubach presented to the Council a formal motion, seconded by Jana Thompson: In part, but abbreviated, the Motion reads:

"As discussed by members of this Church Council, excluding Zola Finch, the terms of occupancy for the duration of her stay in the Parsonage shall be as follows:

"Zola shall pay all utilities for the Parsonage, to include Ameren Electric and Gas and the Lohman City Sewer bill on a monthly basis. Kay Pascoe will present Zola with the Ameren bill and sewer bill amounts and the church will be reimbursed by Zola for the total amount. Zola will give to the Church an offering/tithe while living in the parsonage. "

The Church Council voted by unanimous consent to agree with Stacy's motion. Future use and possible utilization of the Parsonage was briefly discussed.

President Zola Finch requested the Council to turn their attention to the lovely meditation garden that sits to the right of the Church entrance. This garden spot was a project of Devin Koestner for Eagle Scout certification some years ago but there is no plaque or marker to acknowledge Devin's workmanship. Zola volunteered to pay for a plaque or marker to show Devin's design. Upon a motion

offered by Frank Pascoe, seconded by Delores Vlach, the Council agreed via voice vote to accomplish this.

Stacy Bubach suggested that a problem exists with the Church's wooden swinging doors into the sanctuary. Some parishioners close them or open them at will. If parishioners continue to congregate and talk in the antechamber [vestibule], the doors should be closed prior to beginning services. At the beginning of services, those on Usher duty should make sure to open them as requested by our Safety & Security Advisory Group. Ushers should take note of this issue.

The President declared the meeting adjourned at 7:55. The Council terminated with a recitation of the Our Father.

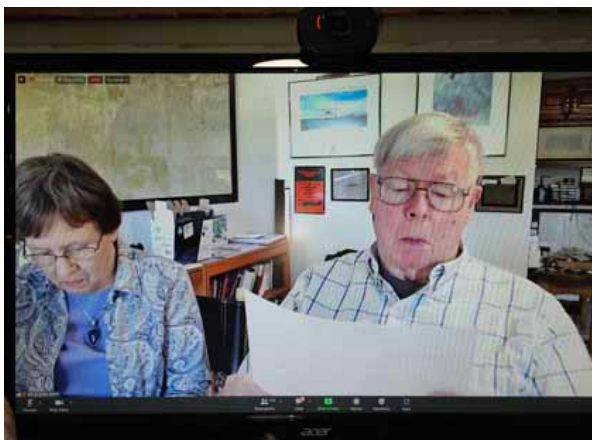

Respectfully submitted by Frank Pascoe, Council Secretary.

Mobile Food Pantry: Audrey Bunch

The June 13th Mobile Food Pantry was held in Russellville at the Trinity Lutheran Church parking lot. The volunteers had great weather, to served 148 families with 434 people in those families. Items given away were BBQ sauce, apples, carrots, kale, pineapple, potatoes, strawberry milk, assorted breads, frozen corn on the cob, Krispy Kreme doughnuts crullers, and frozen smoked sausage. Thanks to all who come and volunteer with this great community service in Russellville. Volunteers from the Lohman Lions Club were Alberta and Gary Zumwalt, and from St. Pau's were Dan Tschirgi, Gary and Audrey Bunch. Next mobile will be July 11th.

Central States Synod Assembly 2023: Bill and Erika Gerth

"Together: Traveling the way of Jesus" by Bill & Erika Gerth

Bill and Erika on ZOOM

Bishop Eaton Interview on ZOOM

It was an honor and a privilege to represent St. Paul's Lutheran Church in Lohman as voting congregational delegates to the 2023 Central States Synod Assembly held on Saturday, June 3, 2023. The online virtual format (Zoom) of this assembly was very efficient and packed synod business, reports of the wide-ranging activities of group worship, synod organizations, and election of officers into six (6) hours of fast-paced work and worship. The theme of the assembly was "Together: Traveling the way of Jesus."

We shared our home computer where we could see and hear all delegates and see the shared screens of the presenters. For voting, a smart phone application allowed us to use our own phones to indicate our individual choices of candidates for various offices and approval or disapproval of resolutions and reports. Zoom also has a feature where participants can send chat messages to the entire assembly or selected individual participants. Pastor David sent us a cheery "good morning" as we checked in before the formal proceedings began.

The assembly was presided over by Bishop Susan Candea. You may remember Bishop Candea from leading our worship a couple of times in Pastor David's absence. Bishop Candea was quite effective in leading the assembly as she was flexible in allowing discussion while keeping the meeting moving according to the Agenda.

Although the main focus of the assembly was the 6-hour session on Saturday, topic-specific hearings were held on various evenings leading up to the main assembly. We attended (virtually) the hearing on Compensation, mainly as a test of our computer to make sure it would be ready for Saturday. We initially intended to only stay a short while but became fascinated with the content of the session and stayed for the entire time. We were greatly impressed with several pastors attending who gave powerful messages about their love for their work and their congregations balanced against their need to provide for their families. We attended another evening session that concentrated on the mechanics of voting using smart phones. Since this was our first time to attend a virtual assembly, this session was very helpful for us. At the conclusion of these two evening sessions, we felt well prepared for what was to come on Saturday.

We represented St. Paul's about ten (10) years ago at an in-person synod assembly at Lindsborg, Kansas and it was interesting to compare that assembly, covering 3 days, with this year's online assembly, covering six (6) hours. In our opinion, the online assembly was "almost like being there" with the operative word being "almost." The tradeoff between the travel time and the cost of food and lodging, measured against the group dynamics with being "in-person," is hard to judge since there are benefits and disadvantages of each.

Sometimes we tend to ask what the synod does for us as a congregation, especially when we're crafting our own congregational budgets. When we look at the various programs that are managed by the synod, we then see that our support of those programs is an extension of what we could not do on our own. Also, the programs managed by the ELCA churchwide are funded through congregational giving via the Central States Synod.

There was a discussion about the need to keep our congregational constitutions in step with the churchwide and synod constitutions. Mandatory and optional changes in the ELCA model constitution accomplished by the ELCA churchwide assemblies are intended to be reflected in synod and congregational constitutions. Such changes, and all resulting amendments, must be approved by the Synod before adoption by congregations. Bishop Candea, before she became Bishop, was directly involved in the approval process for St. Paul's major amendment of our constitution (Our Governing Document, ratified at our 2018 Annual Meeting). She stressed that congregations should be alert to changes in the Model Constitution and that synod staff is ready to assist.

During a discussion of the Synod's Budget, it was noted that the Synod income has shown significant decline over the past several years, partly due to disaffiliation of several congregations and reduced contributions of existing congregations. This shortfall in the 2024 Budget has been covered by the use of reserve funds and by reducing the synod's contribution to ELCA churchwide from 53% of income to 50%.

In conclusion, we appreciate the opportunity to represent St. Paul's as voting congregational delegates to the 2023 Central States Synod Assembly. It was an inspiring experience for us and we highly recommend any member of our congregation to seriously consider being a delegate in the future.

STARS: Jeannette Fischer

On June 21 twenty four STARS met to enjoy a wonderful pizza lunch followed by a very interesting program given by Kyle Crossman. Kyle is a Jefferson City fireman, EMT, a licensed pilot and boat captain, plus certified as a scuba diver and a national ski patrol rescuer. He wears many hats and wears them well. We all learned a lot from his presentation. We will gather again on July 19 and since it is July, it is fitting to enjoy picnic style food. At this time, our program is pending. If you plan to attend, give Rose Strobel a call at 782-4553 by Monday evening, July 17.

Margaret Circle, June 6, 2023: Erika Gerth

Members of Margaret Circle always look forward to the annual salad supper meeting, traditionally held on the first Tuesday in June. We gathered at the Pascoe home on June 6, 2023, where we were met by Frank, who cheerfully parked our cars, and Kay who greeted us with a beautifully set table which would receive a variety of delicious salads brought by each of the eight persons attending. For dessert, she served yummy chocolate brownies, always a favorite with this group!

Circle president Erika Gerth reported that she and Bill represented St. Paul's as voting delegates to the Central States Synod 2023 Assembly, held virtually on June 3, 2023. The theme for the gathering was Together: Traveling the way of Jesus. As in all such meetings, Bible study was focal, with passages of scripture from the Gospels, highlighting Jesus' active ministry during the last three years of his life. Erika shared these same passages for the evening's Bible study and together we read and discussed the story of how Jesus begins his ministry and calls his disciples (Mark 1:14-20), Jesus speaks in parables (Matthew 13:31-34), Jesus feeds the 5000 (Luke 9:10-17), and Jesus washes the feet of his disciples prior to his death and resurrection (John 13). In closing the Bible study, Erika shared some highlights from the report given by the Rev. Susan Candea, Bishop, Central States, ELCA: Traveling the way of Jesus is not easy. Jesus had challenges and so do we. Jesus' love is stronger than fear and he promises to be near. Question: How are we to be church in this world?

1. Keep the Gospel Central
2. Keep the Gospel central Together.
3. Keep the Gospel central, together with Joy.

This is good news! We, You, I, the Church: Could it be that we are called for such a time as this? During the business section of our meeting, it was decided that following worship on November 5, 2023, Margaret Circle will host Fellowship time. The evening's offering was gratefully given and received, and \$250.00 will be sent to Oaks Indian Mission in Oklahoma, to assist its ministry serving youth in its residential program, as well as in the community.

Margaret Circle's next meeting will take place at St. Paul's on Tuesday, August 1, 2023, 6:30 PM. Ruth Stubinger will host and Kay Pascoe will lead the study of God's Holy Word. Remember: Margaret Circle is open to women of the church and their friends. All are welcome!

Jr. Lutherans and Youth Group: Donita Stubinger

With gentle breezes blowing in the hot 93° weather on Sunday, June 25, 2023, the Jr. Lutherans carpoled to Tebbetts, MO. to visit the Riedel Alpaca Farm. Before leaving the church, lunch was enjoyed by 20 adults and 10 children. Pastor David made presence with a very touching prayer with everyone joining in on the Amen. It was a welcoming experience as we arrived at the Alpaca Farm to visit the 10 alpacas and the 2 beautiful white Great Pyrenees guard dogs that protect the Alpacas from coyotes, bears, and bobcats.

A brief history was given to us by our guide Renee Riedel as she led us out to feed and pet the alpacas. Then we visited her store where she gave each child a finger puppet she makes from alpaca wool. Leroy Plochberger and Misty Schroeder purchased socks that are supposed to keep their feet dry and warm. Be sure to ask them how they work. Our newest member and church secretary, Debbie Raithel, joined us on the trip and took pictures for the Epistle. Remember, everyone is invited to join us on any of our church outings.

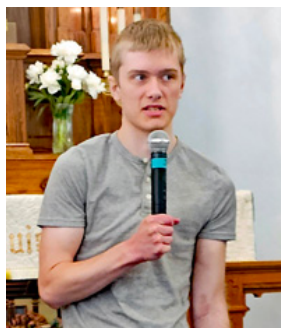

Join us in the Fellowship Hall on July 2nd after church to start the 4th of July celebrations off with our famous Cinnamon Rolls for the Fellowship Hour breakfast! In August, we look forward

to going to Chris and Liz Russell's home for a swim party. Then in September we will gather at St. Paul's for the annual Family Day event with lots of fun and games. October is our annual pumpkin painting and carving party at Ryhmer's Ridge Farm. November we will do crafts and woodworking at Harry and Jana Thompson's place. Please watch the Epistle and bulletins for future dates and times. Thank you to all the Jr. Lutherans, parents, and grandparents for supporting this fun and faithful group.

Chili Supper 2023: Marlene Carlson

It's hard to believe that we are already beginning to plan for our upcoming Annual St. Paul's Chili Supper and Country Store. It will be held on Sunday, October 1st. Please mark that date on your calendar and plan to work and attend this event. If you know that you will be unable to help work or won't be able to bring your items, please let us know as soon as possible. It makes our planning so much easier. This will be our first year working in our new Kitchen area so we will ask in advance for everyone's patience as we go through this first year. If you have any questions or concerns, please feel free to contact Kathy Meller at 782-4788 or Marlene Carlson at 690-0117. We look forward to a very successful Chili Supper.

Graduating Class of 2023: On Sunday, June 4th Pastor David recognized the 2023 graduating class. Five of the eight graduates attended worship and Pastor asked them to come forward to be recognized. Each graduate was given the microphone and asked to introduce themselves and tell the congregation what their futuer plans involved. They did great, and Pastor David was very proud of them as was the congregation. Afterward, Pastor David prayed for them and blessed them in their future endeavors.
